GOOGLE MAPS · LASER AND SKIN CLINICS

DOES GOOGLE KNOW WHAT YOU DO?

GOOGLE MAPS, EXPLAINED.

If your profile doesn't list a treatment, you may not show up for it.

SWIPE →

THE PROBLEM

YOUR CLINIC DOES 15 TREATMENTS. GOOGLE KNOWS 2.

People search the treatment: laser hair removal, acne scars, pigmentation. If your Google profile only says 'beauty salon', those searches go to someone else.

WRONG	NO	NO
CATEGORY	SERVICES	BOOKING

SWIPE →

1

STEP 1 OF 5

PICK THE RIGHT CATEGORY.

Your main category tells Google what you are. Choose the closest match.

BEFORE	AFTER
'Beauty salon'	'Skin care clinic'
Too general	Extra categories added
Wrong searches	Right searches

SWIPE →

2

STEP 2 OF 5

LIST EVERY TREATMENT.

Add each service with a short, plain description.

BEFORE

- No services listed
- Only on website
- Invisible

AFTER

- Laser hair removal
- Pigmentation, scars
- Short description each

3

STEP 3 OF 5

ADD A BOOKING BUTTON.

Let people book or request a consult straight from the map.

FROM MAP TO BOOKING	KAALA
Search	LASER HAIR REMOVAL
Map	YOUR PROFILE
Button	BOOK A CONSULT
Result	APPOINTMENT

4 STEP 4 OF 5

KEEP HOURS ACCURATE.

Wrong hours mean wasted trips and bad reviews.

BEFORE	AFTER
Old opening hours	Hours up to date
No holiday hours	Holiday hours set
Locked door	Happy visitors

SWIPE →

5

STEP 5 OF 5

POST SEASONAL OFFERS.

Use Google posts to promote what's in season for your clinic.

BEFORE	AFTER
No posts	A post every week
Same offer all year	Seasonal treatments
Nothing new	Fresh photos

KAALA STUDIO

WANT GOOGLE TO SHOW EVERY TREATMENT YOU OFFER?

We set up and run Google profiles for laser and skin clinics.
