LOCAL SEO · HAIR TRANSPLANT CLINICS

'HAIR TRANSPLANT NEAR ME.'

LOCAL SEO, EXPLAINED.

When someone nearby searches this, does your clinic show up?

THE PROBLEM

MANY CLINICS COMPETE FOR THE SAME FEW SEARCHES.

Hair transplant patients compare clinics carefully: technique, price, results and reviews. If your website doesn't explain these clearly, they keep searching.

FUE OR DHI?	**HOW** MUCH?	**REAL** RESULTS?

STEP 1 OF 5
