LOCAL SEO · PLASTIC SURGERY

THEY RESEARCH FOR MONTHS.

LOCAL SEO, EXPLAINED.

Before booking a consult, patients read everything. Is your site worth reading?

THE PROBLEM

PATIENTS COMPARE SURGEONS LONG BEFORE THEY CALL.

Cosmetic surgery is a big decision. People search the procedure, the surgeon and the city again and again. A thin website loses them to the clinic that answers their questions.

PROCEDURE	SURGEON	REAL
+ CITY	NAME	ANSWERS

1

STEP 1 OF 5

A PAGE PER PROCEDURE.

Rhinoplasty, breast surgery, facelift: one clear page each.

BEFORE	AFTER
One long list	One page per procedure
Stock photos	Who it's for
No detail	Recovery explained

2

STEP 2 OF 5

SHOW WHO OPERATES.

Patients choose a surgeon, not a logo. Make the surgeon visible.

BEFORE	AFTER
No surgeon bio	Surgeon bio and photo
No credentials	Training and memberships
Faceless clinic	Intro video

3

STEP 3 OF 5

ANSWER THE HARD QUESTIONS.

Cost range, recovery time, risks. Honest answers build trust.

QUESTIONS TO ANSWER	KAALA
Cost	PRICE RANGE
Recovery	WHAT TO EXPECT
Risks	EXPLAINED CLEARLY
Next step	BOOK A CONSULT
