META ADS · DENTAL CLINICS

LIKES DON'T FILL THE CHAIR.

META ADS, EXPLAINED.

Most dental ads get attention. Few turn it into booked appointments.

SWIPE →

THE PROBLEM

YOUR ADS GET LIKES. YOUR DIARY STAYS EMPTY.

A nice photo and a boosted post can reach thousands of people nearby. But without a clear offer, an easy way to book and fast follow-up, those people scroll on.

LIKES	NO OFFER	SLOW REPLY
NOT PATIENTS	NO ACTION	LOST LEAD

1

STEP 1 OF 5

LEAD WITH ONE CLEAR OFFER.

Tell people exactly what they get and why to book now.

BEFORE	AFTER
Boosted post	One treatment
'Visit our clinic'	Clear first-visit offer
No reason to act	Simple next step

SWIPE →

2

STEP 2 OF 5

MAKE BOOKING ONE TAP.

Send people to a short form or booking page, not your home page.

FROM AD TO APPOINTMENT	KAALA
Ad	WHITENING OFFER
Tap	SHORT LEAD FORM
Reply	CALL WITHIN THE HOUR
Result	BOOKED VISIT

SWIPE →

3

STEP 3 OF 5

CALL BACK FAST.

A lead that waits until tomorrow has often booked somewhere else.

BEFORE	AFTER
Leads sit in inbox	Instant alert
Called days later	Same-day call
No reminders	Reminder message

SWIPE →

4

STEP 4 OF 5

RETARGET WARM VIEWERS.

Show a second ad to people who watched your video or visited your site.

BEFORE	AFTER
One ad, once	Video viewers retargeted
Cold audience only	Patient stories
Forgotten fast	Dentist intro video

SWIPE →

5

STEP 5 OF 5

TRACK BOOKED VISITS.

Judge every ad by appointments, not likes or clicks.

BEFORE	AFTER
Counting likes	Leads to bookings
Guessing ROI	Cost per patient
Same ad for months	Test new angles

SWIPE →

WANT ADS THAT FILL THE CHAIR?

We plan and run Meta Ads for dental clinics, from offer to booked appointment.
