META ADS · WEIGHT LOSS

THE PAGE AFTER THE AD.

META ADS, EXPLAINED.

Your ad gets the click. Your page decides if they book.

THE PROBLEM

GREAT AD, CONFUSING PAGE.

Many weight-loss ads send people to a homepage full of everything. Visitors can't find the programme they clicked for, so they leave.

1

STEP 1 OF 5

MATCH THE AD.

Send each ad to a page about that exact programme, with the same words.

BEFORE	AFTER
Ad to homepage	Ad to its own page
Visitor searches	Same message
Visitor leaves	Visitor stays

STEP 3 OF 5

SHOW THE MEDICAL TEAM.

Names, roles and qualifications. People want to know who is behind it.

BEFORE	AFTER
No names	Doctors named
No doctors shown	Roles clear
Feels like a shop	Feels like a clinic

4 STEP 4 OF 5

KEEP THE PAGE WITHIN THE RULES.

Meta reviews the page your ad links to, so the same health ad rules apply there too.

BEFORE

'Lose 10 kg fast'

Body shaming photos

Risky claims

AFTER

Respectful language

Careful images

Honest information
